Dear Parents/Guardians and Families

I would like to express a huge Thank You to all parents for reposing faith in SMR International School, Safidon. We value the trust and confidence you have placed in us by selecting SMR International School for your child and we look forward to working together in partnership to give you and your child a solid foundation for the future. At SMR International School we understand that there is nothing more precious than a child and nothing more important than preparing a child for the challenges of the future. 2017-2018 saw SMR International School, Safidon reaching and achieving a number of milestones.

As we begin our new session 2018-2019, I thought it would be worthwhile to spend a little time reviewing where we have come from as a platform, what you would like to see your child achieve this year. Also to share with you what we plan for your ward in this session.

- An important document that you need to refer to during the course of the year is the School Calendar. The school Calendar mentioning the dates of PTM and other important dates is also uploaded on the school website. I would encourage you to review is document at your earliest convenience and to place important dates in your diary.

If you have any queries or concerns, please feel free to contact the School. This school values your input.

Warm Regards

Principal
